

CONSENT FORM FOR PEO YORK CHAPTER DESIGN CHALLENGE

The Professional Engineers Ontario – York Chapter (“PEOYC”) has organized the Design Challenge for the benefit of school children in our community. By clicking in the “I approve” section of the registration you agree to the following:

I understand that the PEOYC and its representatives will take all reasonable steps to provide an environment in which everyone’s safety is of prime importance. PEOYC volunteers have arranged the competition, but PEOYC cannot take direct care and control of all of the children. PEOYC encourages teachers/parents/guardians to be present during the event to share and enjoy the students’ successes and achievements.

I am aware that PEOYC and its volunteers cannot assume responsibility for any injury, loss, damage or harm to any child or to his/her property during the course of any activity which is part of the above program, including travelling to and from the event site. I understand and acknowledge that certain risks of injury, loss, damage or harm are inherent to participation in any program or activity and I agree to indemnify and save harmless Professional Engineers Ontario, PEOYC, prize sponsors, officers, employees, agents and the volunteers from and against any injury, loss, damage or harm that may befall any child under my care as a result of his/her participation in this competition.

Personal information collected will be used to conduct this competition and recognize participants and winners. Names, photographs and articles written on this event will be posted on PEOYC’s Internet website and/or other media or news outlets to promote this and future events. Permission is hereby given for any photographs, videos or other recordings made before, during or after this event of the children to be used as described above.

I will inform the event organizers (e-mail education@peoyork.com) of any special dietary requirements, allergies or relevant medical conditions that any of the children under my care have.
