This form is to be filled out (one per entry) and either brought to the competition or scanned and emailed to education@peoyork.com.

The Professional Engineers Ontario – York Chapter (“PEOYC”) has organized the AMD Mathletics 2014 Competition for the benefit of school children in our community. A parent or legal guardian who wants their child to participate in this competition must complete and sign this form. The completed form must be received by PEOYC prior to the child being allowed to compete.

I understand that the PEOYC and its representatives will take all reasonable steps to provide an environment in which everyone’s safety is of prime importance. PEOYC volunteers have arranged the competition, but PEOYC cannot take direct care and control of my child. PEOYC encourages parents/guardians to be present at the competition to share and enjoy the students’ successes and achievements.

I am aware that PEOYC and its volunteers cannot assume responsibility for any injury, loss, damage or harm to any child or to his/her property during the course of any activity which is part of the above program, including travelling to and from the competition site. I understand and acknowledge that certain risks of injury, loss, damage or harm are inherent to participation in any program or activity and I agree to indemnify and save harmless Professional Engineers Ontario, PEOYC, prize sponsors, officers, employees, agents and the volunteers from and against any injury, loss, damage or harm that may befall my child as a result of his/her participation in this competition.

Personal information collected will be used to conduct this competition and recognize participants and winners. Names, photographs and articles written on this event will be posted on PEOYC’s Internet website and/or other media or news outlets to promote this and future events. Permission is hereby given for any photographs, videos or other recordings made before, during or after this event of my child to be used as described above.

Wireless clickers provided for the competition must be returned to PEOYC in good working order immediately after the competition. If a wireless Clicker is damaged, I undertake to reimburse PEOYC \$100 as the cost of each replacement unit.

I hereby grant permission for my child to participate fully in this AMD Mathletics 2014 Competition. I declare having read and understood the above and hereby consent to my child participating on the basis described.
